ABOUT ME

I'm not just a designer. I've been on the print floor too.

With years of experience designing brochures, flyers, and publications, I've also worked hands-on in a print shop, learning the process from prepress to final output. I believe good design doesn't end on the screen, it lives and breathes on paper.

PROFESSIONAL EXPERIENCE

Print Production
2015 Jan. - Present

Initial Printing Inc., Vancouver

- Manager, Wide Format Department
Worked as a one-man or team operation.
Designed and printed banners, signs, and created imagery for various other promotional items. Traveling for window graphics.
